

ABOUT US

DORTRENK GROUP has started its business in 2013 as a wholesaler and OEM supplier company for the Domestic Market in Turkey. The targeted market was just the domestic market at the beginning but after the year 2015 **DORTRENK GROUP** has started to widen through International Markets beginning with EU countries. By the market needs **DORTRENK GROUP** started to make partnerships by quality well-known factories and widen range of the products to almost 10.000 till today.

DORTRENK GROUP has announced the company as a Group of Companies and its new brands as “**AIRCOLD**” in A/C sector, “**ASSIST**” in replacement parts and “**LPGMAX**” in trailer and LPG sector.

DORTRENK GROUP is a benchmark in the sector with his business model, process management, know-how and consistent sales principles. Thanks to its analytical approach, **DORTRENK GROUP** goes far beyond the role of distributor, in supply and logistics management.

VISION & MISSION

VISION: "To be market maker" in corporate independent aftermarket.

MISSION: To be the benchmark in the sector, with his analytical business model, process approach, know-how based coherent management style.

POLICIES

SERVICE POLICY: Going far beyond the vendor role; analyze the needs of our clients to provide right products and services in at the right time, price and place.

CORPORATE COLLABORATION POLICY: To pursue a transparent collaboration policy both with our customers and our suppliers.

HUMAN RESOURCES POLICY: With its lean management policy to provide maximum level of cooperation among departments, promote personnel development and loyalty.

BUSINESS IMPROVEMENT POLICY: The business processes which has been defined with the participations of all team members has continuously been reviewed and revised to increase efficiency.

DORTRENK GROUP has an aim to be a leading company with the high quality of both products and service, competitive price especially mainly in BUS Parts and Commercial Vehicles produce of EU.

DORTRENK GROUP presents you this wide product range from one point and under one brand which is ASSIST with QUALITY and BEST PRICE perspective.

Additionally, **DORTRENK GROUP** gives you the service of supplying ORIGINAL spare parts of MAN, MERCEDES BENZ, VOLVO and DAF as well as very well-known brands such as below.

Our purpose is giving our customers the service with a well-planned business which enables us to offer them most effective products and satisfy the requirements with a proper service, having quality and competitive prices of all products we supply.

A goal without a plan is just a loss, we would like to realize success for both sides with our working principles at a highest level of meeting the expectancy.
